Is there a specific time that you'd like to have your quilt done?

Is your quilt top ready now?

When do you plan to send it to me?

Do you want an edge-to-edge pattern stitched?

Do you want a border pattern stitched?

How many borders does your quilt have?

Do you want specific block patterns stitched?

Which patterns are you thinking of having stitched?

Once you've sent me the above information, I will be in contact with you regarding your quilt top. DO NOT send your quilt top to me until AFTER you've actually spoken to me. You may wish to take a picture of your quilt top before you send it to me so that when I receive it, we can talk more about specific quilting that will be done. I'd rather have personal contact with you as opposed to just having a quilt top appear at my doorstep without having any idea of where it came from and what is to be done to it!
